“Immunization Champion”

Nomination Form

Please fax this form with your registration by March 8, 2010 to Andy Noble at 208.334.4914, or, fill out this form online at: iris.idaho.gov.

Nominee Information:

First Name: _____ Last Name: _____

Name of Employer: _____

Address: _____ City: _____ State: _____ Zip: _____

Work Phone: _____ Email: _____

Nominator Information:

First Name: _____ Last Name: _____

Work Phone: _____ Email: _____

Please provide a brief overview and answer the following questions thoroughly about the nominee. The selection committee appreciates all the information you submit and asks you to provide as much information as possible in a concise manner. (Please type or print your response; use additional paper if necessary.)

1. Please provide a one to two sentence overview of your nominee:

2. How has the nominee made a difference or inspired others?

3. How has the nominee gone above the call of duty?

Booster Shots Schedule

In addition to our all-day conference, we also offer local workshops for you and your immunization staff. Please review the locations for local workshops offered during late summer/early fall in your area. Formal invitations and registration forms will be mailed in June.

Keynote Speakers

Gary S. Marshall, M.D.

Dr. Marshall is a Professor of Pediatrics and director of the fellowship-training program at the Department of Pediatrics at the University of Louisville School of Medicine; he has been a staff member since 1989. Dr. Marshall received his undergraduate degree from the University of Pennsylvania and his medical degree from Vanderbilt University in Nashville, Tennessee. Dr. Marshall is perhaps best known nationally for his work in the area of vaccine advocacy, education and clinical trials, and for his book, now in its second edition, entitled *The Vaccine Handbook: A Practical Guide for Clinicians*.

Renee P. McLeod, Ph.D., APRN, CPNP

Dr. McLeod is the dean of the School of Nursing and Health Professions at Brandman University, part of the Chapman University System. She was previously with Arizona State University and Vanderbilt University. Dr. McLeod has 33 years of practice as a Pediatric Nurse Practitioner, consultant, and speaker for companies that make Immunizations for the last 15 years. She has served on California Immunizations Committee and San Diego Immunizations committee, been a past national Special Interest Group Chair on Immunizations for National Association of Pediatric Nurse Practitioners, and is currently member of the CME Committee for National Foundation for Infectious Disease.

Exhibitors

A special thank you to the following companies for their generous support of the “Shot Smarts” conferences:

GlaxoSmithKline • Sanofi Pasteur • Novartis • Wyeth Vaccines • Medimmune • Merck

Accreditation

The Idaho Immunization Program, Division of Public Health, Idaho Department of Health and Welfare is responsible for the educational content of the conferences.

For child care providers, Shot Smarts 2010 is pending IdahoSTARS and ACMEC approval.
